

PRINT/ONLINE REVIEWS

FATEA

"These heavyweight early musicians have put together a fascinating collection of instrumental and vocal early music"

"an engaging programme, performed with brio and style"

"echoes of both 'Below the Salt' era Steeleye Span and Nancy Kerr at her best"

"hypnotic and compelling, the work requiring fine accuracy of both pitch and timing which the pair pull off seemingly effortlessly"

<http://www.fatea-records.co.uk/magazine/reviews/WildeRoses>

FOLKING

"It's extraordinary how effectively two voices – well, these two voices – can execute material like this."

"an extraordinary vocal performance"

"you'll find much to enjoy here"

"The instrumental work is excellent and cleverly arranged"

"it has an ethereal quality"

FOLKWORDS

"lingering and memorable songs"

"they pull you inexorably into a delicate fabric of instruments and voices"

"From any perspective, with this album they have more than achieved their objective"
